Tucker has been diagnosed with a high-grade stage 4 cancerous glioma.

He is now preparing to face many rounds of radiation and chemotherapy
in hopes of stopping, or at least slowing its growth.
The road ahead will be long and difficult, but Tucker is not walking it alone.

**Donations can be made to Tucker Nelson Benefit
and mailed to United Valley Bank, P.O. 760, Hallock, MN 56728.**

*If you have an item you are willing to donate for the silent auction,
please contact Dan and Judy Remer 218-762-8401, or 612-910-0909.*
